

2 MILLION

Square Feet of Production Space

With nearly 2 million square feet of sound stage, office and support space, the Raleigh Entertainment companies; Raleigh Studios, Raleigh Film, Hollywood Rentals, Olesen Lighting (US only) and ESS (US only), comprise the largest independent studio and production support operation in the United States. Raleigh Studios has locations in Hollywood, Manhattan Beach, Playa Vista, Baton Rouge, Detroit and Budapest.

One call to our operations center, US: 888.960.FILM (3456), EU: +36.1.560.FILM (3456)
connects you to any one of our Raleigh Entertainment companies.

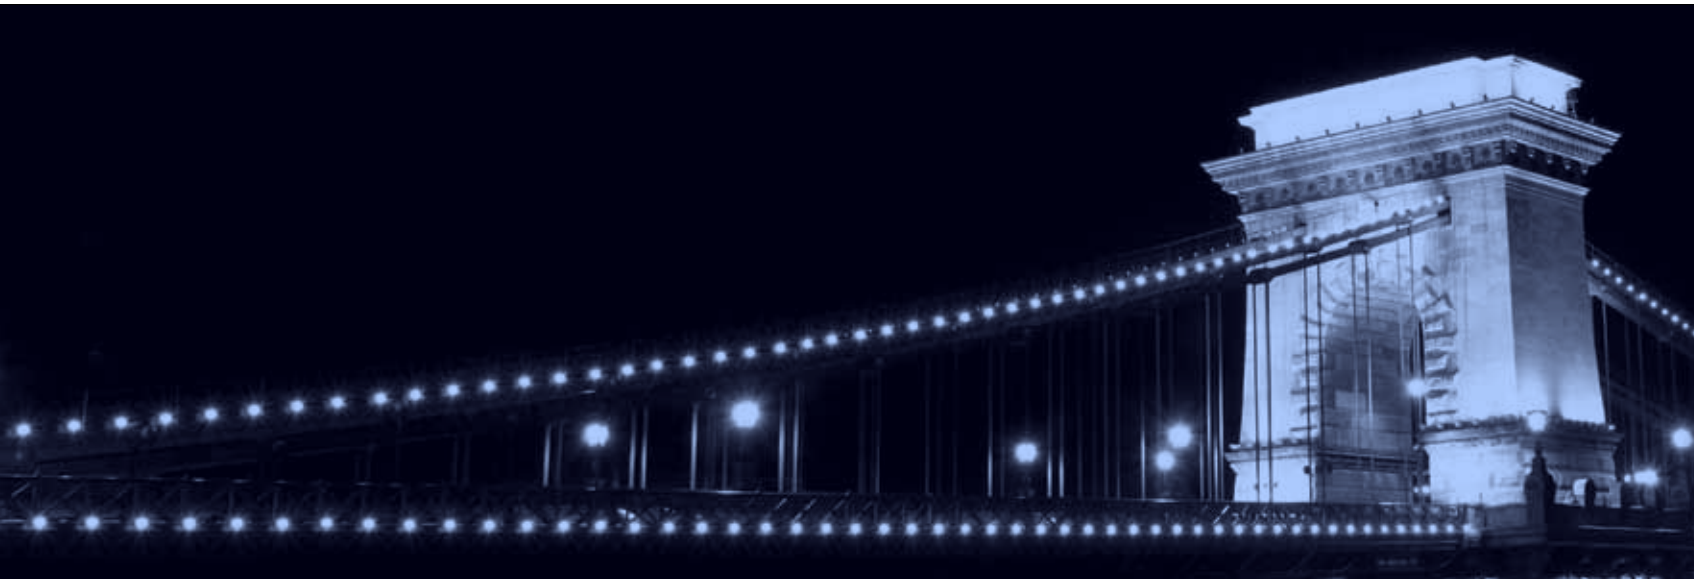

HUNGARY

Be Everywhere Here

HUNGARY

centralized between Eastern and Western Europe, is the ultimate location for all of your production needs. Generous film incentives of up to 25% for qualified productions, experienced crews, English speaking keys, attractive labor rates, fresh locations and rich film-making history, Hungary is the obvious choice for Raleigh Studios' base of European operations.

Hungary can double for many cities; Buenos Aires, London, Paris, Moscow and Berlin, to name a few. With its unique architecture melding the old world with the new, you truly can be everywhere here.

- Hungary offers a 20% tax rebate, up to 25% for qualified productions.
- There are no minimums and no caps.
- Hungary requires a production to meet cultural criteria based on a point system, 16 of 32 qualifies.
- Most companies see their reimbursement within 2 months.

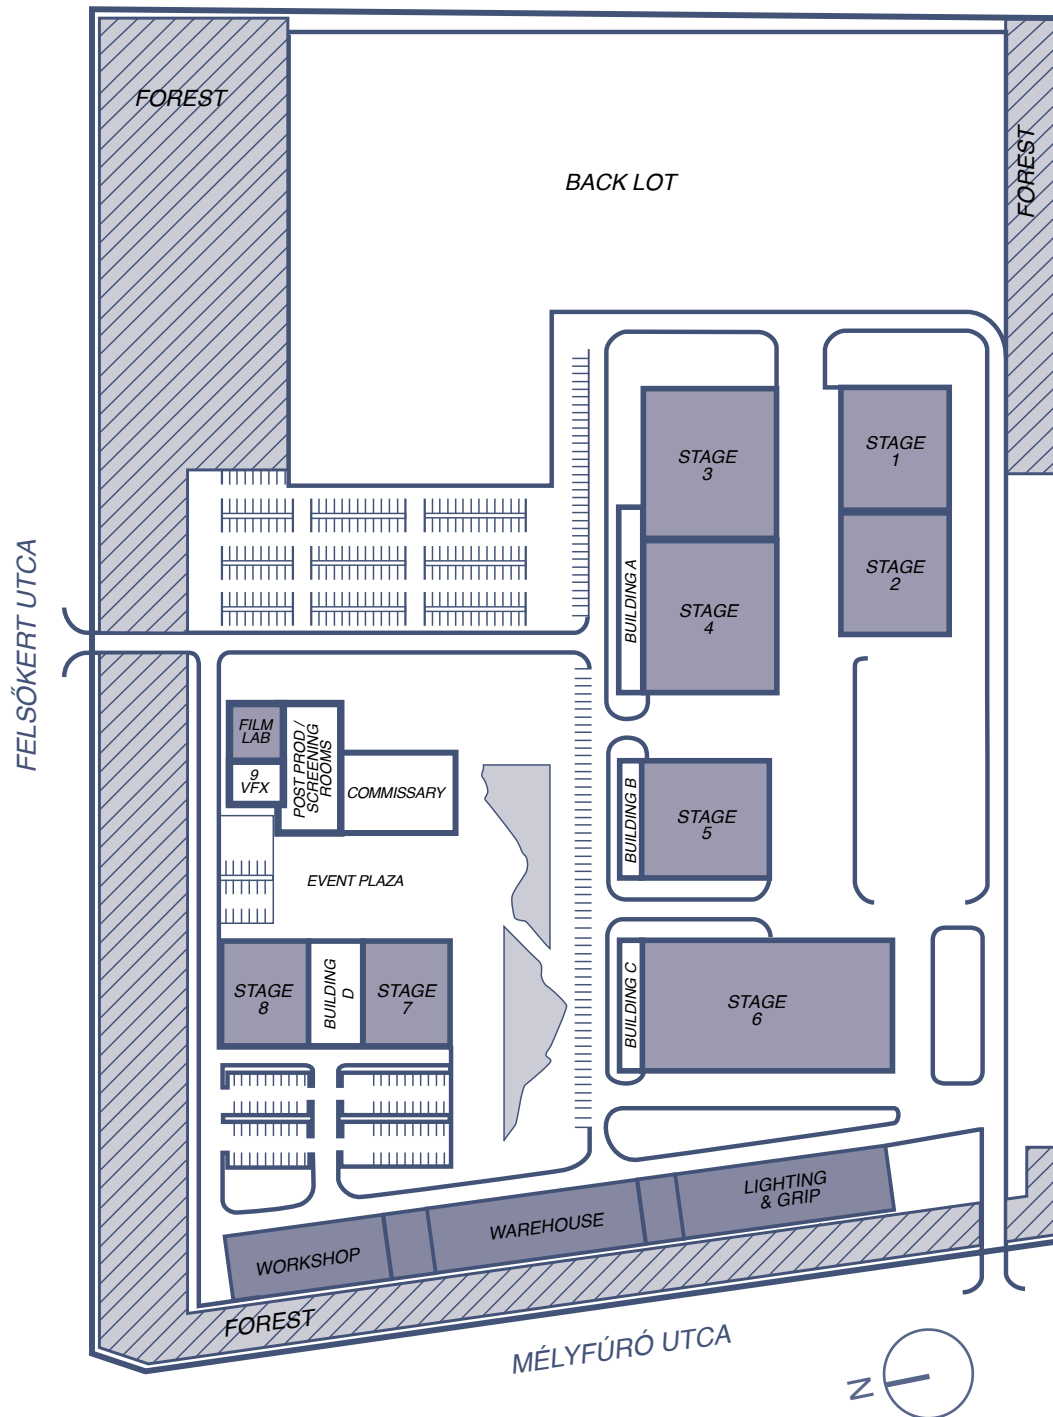

RALEIGH STUDIOS

Budapest is the newest and most advanced studio in Central and Eastern Europe. With 9 stages, including a super stage over 47,000 sq. ft. and 65' clearance, the facility can handle multiple productions large and small. The campus houses a film processing lab and post facility managed by FotoKem, screening rooms, visual efx stage, Hollywood Rentals for lighting and grip and over 10 acre back lot. Just as important, the studio is only 20 minutes to the city center, making it the closest studio in proximity to Budapest.

Raleigh Studios Budapest will be operated just like Raleigh's other studios in the United States. With offices in both countries, a Raleigh representative will always be there to take your call.

Also available are full transportation services including honeywagons, star trailers, dressing rooms, make-up trailers, expendable supplies and more.

POST Production

is one of the leading motion picture post production companies in the United States and now in Europe.

FotoKem will operate not only a film lab right on the lot, but also a complete post production facility with full digital intermediate suites, visual effects, 2k and 4k finishing as well as be directly tied into FotoKem's Los Angeles operations, affording tremendous flexibility for productions.

The facility will be based and built upon FotoKem's deep knowledge and many years of experience in the industry and have the experienced staff to match.

FotoKem's services will also allow productions to qualify their post production work under Hungary's 20% production tax incentive.

PRODUCTION

Services

is Raleigh's production service arm. Servicing the United States, Central and Eastern Europe, Raleigh Film is a full service line producing company.

We will help budget your project, do pre-visual artwork, schedule, scout, crew and aid in tax incentive recovery. Raleigh will handle it all.

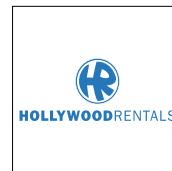

Working in conjunction with Raleigh Studios in Budapest and Raleigh Studios in the United States, Raleigh Film has full studio support. With Raleigh's association with Hollywood Rentals for lighting and grip, Raleigh Film can bring everything together in one package, making it your ultimate production service solution.

EQUIPMENT

Services

is the leading rental provider of professional lighting and grip equipment to the motion picture, television, commercial production and special events industries.

With a diverse range of production equipment, lighting and grip products, power generators and production vehicles, Hollywood Rentals has everything you need.

Having facilities in Los Angeles, Charlotte, Orlando, Baton Rouge and Budapest, Hollywood Rentals can service productions nationwide and around the globe.
